The storage technology revolution. Are computers now a thing of the past? Nov 11, 2016 by John Siracusa Type: Article There is a revolution of storage technology underway, and its effects are going to be seen in everything from the way you backup, to the way you share files, to the way you buy a car. Nov 29, 2016 by Alan Porter Type: Article Many of the changes in the next generation of storage technology are the direct result of hard lessons learned from the last generation.
