You play as one of 12 animal teams (rabbits, dogs, cats, koalas, monkeys, birds, etc.) as they compete in their pet soccer matches. All the players in the game look like they are in a pitiful condition and their names don't even make sense.

Nevertheless, they have amazing skills, and with the help of their pets, they can tackle, dribble and kick the ball into the goal in an amazing way. Each animal has only one pet and in order to accomplish their goals in each match, they have to keep their pet with them. You'll be able to make successful tackles, fake a knock out and make goal-line assists in order to score on the other team.

Occasionally, you will be able to use your pets against your opponents, such as a kitten and a dog named Joey who can fight against other cats. Pet Soccer is a simple and entertaining game.

You control only your cat or dog, and you can play as one of 12 animal teams. All the animals in this game look like they are in a pitiful condition, and their names aren't even understandable.

Nevertheless, they have a lot of great skills, and with the help of their pets, they can tackle, dribble and kick the ball into the goal in an amazing way. Download Pet Soccer for PC Windows Laptop -
