I had my teeth in Friday night and Saturday morning and the entire weekend until they started to itch so I decided to go by the dentist. The dentist informed me I have very bad cavities. Every tooth in the back on my upper jaw. 3 or 4 in the back on my lower jaw. And they need major fillings. In addition to that they said I had periodontal disease. He also said I should get my wisdom teeth removed. I also have bad gums which they said I needed to fix. Now what. I've been using EO's for years and years. It has helped a lot. I have only been using it about 2-3 years, but I noticed that when I use it I don't feel a thing. Even if I put it on like in the morning and then go to bed. I also noticed that the more I use it the more I stop feeling it at night. And the more I use it the more I reduce the feeling of eating. If I use it one night and then go to bed without using it, I'll notice the next night when I go to bed that I feel a bit of a burning and stinging. Heres a funny situation I just got back from.
