---

**System Requirements:**

Supported Monitor & Video Card Resolution: 60Hz We will be displaying our work in 1920 x 1080 and will support native 144hz displays. Please keep this in mind when choosing a monitor. We strongly recommend using the latest version of your video card drivers. We also recommend that you use the latest version of your OS, but we have included a link to the latest version of Windows 10 below. We recommend using a newer CPU if possible but we have tested our game on some older CPU's and have been able to play it without a
