To study the chemical constituents of Senna alatae (ex Rood). The compounds were isolated by various chromatographies, and their structures were elucidated by the spectral analysis. Nine compounds were isolated from the ethyl acetate extract, and their structures were identified as digallic acid (1), caftaric acid (2), protocatechuic acid (3), caffeic acid (4), 2,5-dihydroxy-3-methylbenzoic acid (5), 2-hydroxy-1-hydroxymethyl-5-methoxybenzaldehyde (6), 6-(3,4-dihydroxyphenyl) protocathechuate (7), 3-(3,4-dihydroxyphenyl)-2-oxopentanoic acid (8), and 3-O-beta-D-glucopyranosyl-6,3',4',5-tetrahydroxy-6"-hydroxymethyl-beta-cymaropyranosyl (1-->2)-3,4-dihydroxyphenyl 4-O-alpha-L-rhamnopyranosyl (1-->2)-beta-D-glucopyranoside (9). All of them were obtained from this plant for the first time. This invention relates to a permanent magnet electrical machine and, in particular, to a permanent magnet machine which includes an excitation winding wound about a pole piece with a soft magnetic material surrounding the pole piece and a layer of low permeability material in which an excitation field is produced by a permanent magnet. Such a machine is illustrated in U.S. Pat. No. 4,000,746 to Churchill et al and includes a laminated stack of pole pieces which is adapted to receive an excitation winding formed of at least one turn of wire with a current path defined by the wire wrapped about the pole pieces.

Zara founded their fashion house in 2001, and since their 2008 relaunch, the brand has built an ever-growing fan base around a unique aesthetic. Making their name on a global scale, Zara has seen multiple expansions in their collections, as well as a broadening of style. The collection is a mix of clean cuts, edgy silhouettes and quirky details for a look that is distinctly modern. It is this unique balance of understated and adventurous style that makes the Zara brand so coveted by women, and the foundations are laid out in the brand's home city of Spain. The brand is dedicated to the idea of providing quality essentials that are thoughtfully made and created with a genuine, eco-conscious approach. Zara style is always on trend, but in a way that isn't too insincere. Their casual, chic and utilitarian clothing collection is aimed to be worn by anyone, and is effortlessly cool. From office wear to daytime dressing to weekend outfit building, the Zara line has it all. For maximum impact, check out their accessories collection that spans from jewellery and handbags, to scarves and belts. The exacting standards that Zara and their clothing lines are held to, also runs through to their home offices. Their headquarters is an all-women team. Going one step further, Zara is now moving into men's wear, and in order to achieve this, they've set the bar high. The first men's collection is set for release in March, and will be available in select Zara stores in Spain, France, the Netherlands and Italy. What started out as an online single store has now grown to be a mall-based, including a store in Beverly Hills, set to open later this year. The concept of Zara has grown from a single shop, to an entire shopping experience, and they will now be offering men's and children's wear to the mainstream consumer. Shopping at Zara means that the consumer has the
