-GameFan A new action RPG, which freely fuses gameplay elements from Fate Grand Order and B/X Dungeon, stands out with an exhilarating atmosphere. -Famitsu An action RPG that not only breaks the boundaries of prior titles by allowing you to determine the ending, but delivers a large number of characters, moving scenarios, and combat -Gamebustar A very different action RPG that offers both interesting RPG elements and virtual-3D visuals. THE NEW FANTASY ACTION RPG. Rise, Tarnished, and be guided by grace to brandish the power of the Elden Ring and become an Elden Lord in the Lands Between. FEATURES: ■ Story -Lands Between A lush fantasy world where humans, Elves, and the Dwarves live side by side. While facing dangers such as the onslaught of the Elden, which brings a darkness upon this world, the only surviving race is the Elves. The Elves, using a variety of magic, create their own world to live on and protect the current world. -Over 27 original characters With the returning original characters of Fate Grand Order's first printing as the main cast, you will encounter the original characters that you have fought with in Fate Grand Order. You can see their youthful energy and be healed by them. -Original in-game scenario with original illustrations by well-known artists The 14 original chapters that you experience in Fate/Grand Order will be spliced into the world of Fate/Grand Order. Step into a world full of excitement as it is born with an epic voice. -Synopsis A story of hope, revealing the power of the Elves and the importance of the Elden Ring that protects them. ■ Dungeons -A new action RPG In addition to a self-contained structure similar to the jobs in Fate/Grand Order, this title aims to provide a sense of depth when designing dungeons that feature a strong sense of dimension and do not simply lead to a boss fight at the end. ■ Craft Essences -Combine with other items to craft more powerful weapons and armor In addition to being able to customize your equip, you will have the ability to combine items and craft stronger ones. By interacting with the craftsman and the materials you obtain, you will be able to craft items that will allow you to fight with greater power.

FREESHIP WORLD: WORLD OF LARGE SCALE ACTIVITIES Please download and install FINAL FANTASY XI to play this game. All within-game content is free to play. In FINAL FANTASY XI, you create your own hero and join a party to explore vast regions, where you fight powerful enemies, collect different treasures, defeat monsters, and acquire various in-game items to create your own style of play. In this regard, it has a true sense of cooperation, where the other characters' action and feedback help you to develop and perfect your character, leading to a true sense of accomplishment and joy in victory. • Online Multiplayer for Up to 6

---

Players Experience a vast world of over 330,000 square kilometers and directly connect with other players using voice chat, group chat, or multiplayer (PC only). • Unique Style of Play by Choosing Your Hero In FINAL FANTASY XI, you can create your own character, which combines the elements of a warrior, magic user, and job in a single body. You can freely develop your character to meet your own play style, and even befriend other players. • Constant Battle against Enemies and Monsters You will face hostile monsters, guild members, and even other players in great battles. In addition, there are also various events and dungeons that come to life in a different way. • At Lv.150/Signed up a WARZONE To ease the transition into becoming an Erudite or a talented Swordman, the 50 Warzones of the main-line Warzones will allow you to fight to your heart's content. Battles include the opportunity to work together with your party, communicate with your guild members, and get rewards. BOOST SYSTEM Have the Legendary EXP Boost! Advance the level of your hero with the new "Boost system," which will enable you to safely enjoy the fun of leveling up without encountering age-related limits. 1. BOOST your hero The Boost will be earned through and depending on quests and actions in FINAL FANTASY XI. Along the way, you will receive EXP boost that you can use to increase the level of your hero. You can buy Boost with in-game currency, learn Boost at FINAL FANTASY XI's Server Exchange, or through the Boost system. The amount of Boost you can earn through play will differ, depending on your action. For example, players

## **What's new:**

### **Yoshitaka Takemura, Brand Director**

**"I longed for an RPG that was lush with details." Yoshitaka Takemura, Brand Director "With God Wars Online, I have finally come to realize my dream."**

### **Yamato Naruo, Product Manager**

**"Although other RPGs have techniques similar to this, God Wars Online takes advantage of the fact that we are revising the RPG genre." Yamato Naruo, Product Manager "Through its two-fold gameplay of Online Battles and Online Quests, it is possible for God Wars Online to connect your teammates and ask them to play with you, creating an experience that is wholly new."**

### **Masanori Kasuya, Co-Producer**

**"I sincerely hope that all players will join in the most fun possible fight for the Royal City!" Masanori Kasuya, Co-Producer**

**Reviews Overall it has a feeling of being very outdated because it is built off of a bunch of dead game engines and plugins. The way they did quests was also fairly frustrating. The main problem I had with it were that it sorta relied on you to micromanage every NPC, who**

---

were friendly to you anyways and none of them would abuse or be rude to you. The quests would have basic things like you got the goorbell for whoever if you helped with a quest it would provide a little bonus or task you with something that would give you a little bonus. Like you would buy some potion at a shop and ask for a friend to come with you to give you a potion so you could give it to a healer. However because the quest was so minimal to you holding the bell would give you a bit of extra gold for the quest. If you wanted to buy the potion for more gold you could buy it for the normal amount and it would give you more gold. To just slightly clarify you could buy too much potion and give yourself more gold than you would normally be given. But to get say 50 gold more you would have to buy 4 potions because any

You can also buy the game through stores.share: DVDs from TCM Shop OVERVIEW powered by AFI Brief Synopsis Aptly titled "noir-tastic," this comedy-drama is more down-home funny than any of its ilk since "Big" and "Three Amigos." Set in the sweetly sleazy world of an all-night diner, Steven Wright, Michael Keaton, and Bill Murray team up in "American Beauty," a movie that, for a change, portrays dumb, charismatic characters with a certain wit and dignity. Murray is an ex-con who, after many years of violent behavior, is back in prison, where he is bored to tears. After encountering a beautiful cell mate in the prison library, he decides to turn his life around, which will mean learning to live with civility. The girlfriend is involved in a robbery. She spends her time playing up to her boyfriend's image. He, in turn, is introduced

---

to the diner by a drunk guy who's too drunk to remember him. In a feat rarely equalled, the three men unite in trying to make the girl happy. All three are involved in a series of half-baked schemes to raise money for the girl's bail. In a moment of unforeseen kindness, the girl is released, and the ex-con launches into
