**EA SPORTS FIFA™ is the leading soccer video game franchise for the last 25 years. Who are we? EA SPORTS is a recognised leader in sports video games. Why choose FIFA? Choose EA SPORTS for the truest football experience! FIFA is a legend in the sports games world. FIFA is currently the best-selling sports video game series of all time. And every game brings the real-world fun of soccer to life, including player intelligence, realistic physics and emotion. FIFA is one of the most critically acclaimed and popular sports video games of all time. Every year millions of fans around the world live out their dreams of playing with the world's best on FIFA, from the streets of Bogota to the catwalks of Paris. What is FIFA Football? EA SPORTS FIFA Football is the ultimate football experience. Where everything in the game is connected and dynamic. You will be able to anticipate, read, and respond to your opponents. You will master your craft, be your best and perform in style. The new FIFA Football experience on Xbox 360, PlayStation 3 and PC doesn't stop there, as players can score goals, link passes, and rise above the backline. EA SPORTS Football is now connected, true to the real game. No more generic motions, instead the new animation system will replicate the fluidity of a real professional game. Hard-earned momentum and direction can drive players into open space, and players can read and react to situations in real time with correct body language and awareness. Players will take on more varied and realistic animations, from a combination of classical and modern techniques. The new animation system will be on a per-player, per-match, per-season basis. Each player will react differently to situations, like heading a ball, running with the ball, and more. For the first time ever, in FIFA, players will have the ability to manipulate the ball. Out of an assortment of passes, players will be able to choose what to pass to, when to pass, and which of their teammates to pass to. The new dribbling system takes talent, skill, and ability to a new level. You can**
