While this technology will be available on all platforms, PlayStation 4 players will be able to take advantage of the full suite of available controls, including twin analog sticks and multiple ways to execute dribbles and touches. In addition, players will be able to choose the style of play they wish to master with "Intelligent Create," the all-new auto-instructor that will help players master the game's many systems. "Intelligent Create" will appear in four different training modes, to help players find the right style to match their personal playstyle. Finally, FIFA 22 also includes "The Journey to World Cup," a new narrative set in Brazil. This serves to enhance the narrative experiences built into the new game, as well as giving a glimpse of the new classes available to players in FIFA 22. Measuring over 400MB in size, FIFA 22 comes with a number of on-disc bonus items including a new "My Career" mode, additional broadcast and online match content, a Football Club Vault mode, a FIFA Ultimate Team wheel and the Gold Tournaments and Challenges. Due out worldwide on 15 October 2017, FIFA 22 is the largest ever collection of content for the most popular sports video game franchise in history, and will be available for PlayStation 4 and Xbox One. The definitive edition of FIFA 22 will also be available on Xbox One X, available on 16 October 2017. About FIFA FIFA was brought to life by EA SPORTS in 1991 and the franchise has been consistently voted as the most popular sports video game franchise of all time. More than 340 million players have been entertained by the official series and over one billion games have been sold. FIFA is the leading brand and the most authentic football experience in video games with a 95% global review score. What's new in Fifa 22:

- **Move with your feet! Player AI will react to the movement you do on the pitch. It will no longer only look at your run when making a decision.**
- **Fight your way through a 7v7 penalty shootout. In this new feature, after five goals have been scored, two players take it upon themselves to have the ultimate hero's close. They can head the ball and score a winning goal, or when one player's kick crosses the goal line, a match winner is struck.**
- **Career Mode**
 - **A brand new option will now be available to improve your team, allowing you to chose your preferred Formation and number of formations to play with. Your formation of choice will then be trained automatically to deliver results.**
 - **New training sessions make it easier to become a master of your creation and finesse new skills on the pitch. You can now use more with one-click training drills. Draw up and attack based formations, complete with animations and graphics.**
 - **Other improvement**
