
REPACK Elden Ring: Deluxe Edition [v 1.02 + DLC] Latest

Beyond the Lands Between, a small kingdom of warriors rules most of the world. Their foes are no doubt numerous, but they still continue to fight bravely even in front of the popular Lord Robious who is the lord of the western land. The next chosen one to call himself Lord of the eastern land is Eben the mighty warrior who has recently gained his heart's desire. As the Lord of the western land, the next chosen one to be Lord of the eastern land is Robious the mighty warrior who has recently gained his heart's desire. As the lord of the Western Kingdom, the next chosen one to be Lord of the eastern land is Eben the mighty warrior who has recently gained his heart's desire. Controlling a character and advancing through the vast lands of the Lands Between is not an easy task for even the most experienced of warriors. Eventually, their will to fight and their love for their land grow weak, and their hearts are swayed by the desire to become Lord. In order to become Lord, they must raise their own armies, built their own castles, gather and strengthen their skills and prepare for battle.
