It's been nearly 20 years since the last Sonic the Hedgehog release, and the franchise is taking a big change as they change developers as the Sega of America is now under the leadership of new Sonic CEO Steve Marek. Sega was recently present at E3, and had a lot of new game announcements. Among them was Sonic Mania which comes out for the Nintendo Switch, PlayStation 4 and PC on August 15. While most of the press were taken by the announcement of the new team at Sega, an odd news that did slip in was this: Sega of America has confirmed that Sonic Mania will be playable at PAX West 2017. It isn't clear if this is a Sonic Mania-exclusive session or if this is a pre-PAX West event. This confirmation is a bit strange since Sonic Mania will come out less than a month from then. What do you guys think? Is this just a Sonic Mania showcase at PAX or is this a test run? Let us know. Old and handsome, this young and restless mummy has an appetite for sheer comfort as well as gluttony. Hardly ravenous at breakfast, mid-morning he dives into his latest maternal bond with gusto. No soup, sir. Museums are usually thought of as places of study, but a new study into the life of our skeleton suggests we should take a lesson from the muses and think of them as places of quiet contemplation, the perfect place to spend those long winter afternoons away from the kids. The study, by an anonymous mummy specialist from a museum in China, has revealed fascinating facts about the life of this not-so-anonymous animal. We have found the mummified remains of a Chinese man who died in the late 19th century and has been preserved for over 100 years.
