The main reason I

have been staying at this number is because my editors are telling me to stop. You see, the first draft of The Winter Bunch was crafted as a simple, straightforward story about a high school girl in the south of France. My editors have told me that they feel the story is stronger than that, however, and that the story is really about something bigger. They have said this in a lot of different ways, each time suggesting that this something bigger be the theme of the story, and so I am going to go with their advice. In my opinion, The Winter Bunch is about friendship, and the fickleness of friendship, as well as the indescribable risks that are sometimes taken in friendship, and how these can become haunting things. I want to delve into that theme for the next draft. I am going to make it the main theme, and I will make sure that each chapter will focus on a different aspect of it. I have a few drafts already written, but it is only me and my cat, for the moment, and I have given myself a deadline to have it ready for my beta readers to review. So I have until around December for the next draft. My beta readers are a critical 6d1f23a050
