All the way to Solace, eh? If the original Canon Rumour website doesn't get enough traffic, Sony Execs can throw more at them by locking those pesky cockroaches in public spaces. Last night a few of my friends and I were innocently enjoying the sights and sounds of the Corniche along the beach in Solace. Halfway through our trip we were pulled over by 2 black SUVs and arrested. They took us to a clinic that was supposedly "all sanctioned" but was closed all weekend. Despite all the documents on my person, they had me sign a form stating that I was there by the beach at all times of the day and night and that I "intended" to return on the way back to Flagstaff. We were told that there were no charges against us and we were free to go. But I can imagine that the cabs will be sparse tomorrow as we can't stop. P.S. The label on my shirt reads "Made in Japan" For those interested in the official text of the permit (PDF format) I have uploaded the document below.1. Field of the Invention The invention relates to a display device, more particularly to a light emitting diode (LED) display device. 2. Description of the Related Art FIG. 1 is a schematic diagram of a conventional light emitting diode display device. Referring to FIG. 1, a conventional LED display device 100 includes a LED board 110 and a plurality of LEDs 120, 122, 124 and 126 which are mounted on the LED board 110.
