The updates have been ongoing. And I have been working hard. To ease the wait, I decided to share a rough sketch, just to ease the anticipation. It's sort of like The Hobbit. In that it's a cartoon, but with very colourful and detailed drawings. If you are interested in joining the Kickstarter, keep your eyes peeled for updates, announcements and rewards.Summer Blockbuster Movies Summer has always been an exciting time for movies. The company releases an early peek at what they have planned for the next year and people flock to the theaters to see what everyone has been talking about. However, there are some film titles that are more tempting than others. In 2012, the studios are looking to capitalize on the proliferation of 3D blockbusters and sequels. The month of May will have no shortage of blockbuster films that have 3D and/or superhero stories. However, July will have some of the summer movies in cinemas as well. "The Time Traveler's Wife" (July 19) Jeffrey Dean Morgan ("Watchmen") plays Henry Cavil in this film about a man who is stuck in 1866. For your viewing pleasure, your pervert side should enjoy the chemistry between him and Rosamund Pike ("Gone Girl"). While this film falls into the time travel movie category, it is a romantic drama which will make many enjoy the most abundant. 'Guardians of the Galaxy' (August 1) The first of the blockbuster sequels that will be released, "Guardians of the Galaxy", will undoubtedly attract the most people to the theaters. It is a comic book film based on "Guardians of the Galaxy", which was created by

(Lmao) I agree, i would rather have an iPod than a mobile phone, but i would also want an iPhone and an iPod. No, i have an iPod, and yes i do sometimes use it. But i don't think it is worth purchasing a mobile phone if you are able to get an iPod for the same price, unless you really enjoy making phone calls and that's all you can do with it. 08-01-2005, 12:40 PM
