Windows 8.1 Pro Build 9600 Activation Key 2016

Oh I just want to say thank you very much for your help i am really happy that you are there to share us with your knowledge. I have tried activating the product key by different ways and none of them has worked, I have tried also and the only thing that i am able to see is the Windows installed on my pc and no product key is there. I need help please. I am the one who bought the product and I am very upset with this issue. I never asked the seller for the product key. If the seller gives my the product key, I will give my feedback with that info, but if he does not give, I will not give my feedback and I will not pay him. Again I just want to thank you for your help and I hope that we will be in contact again. I am looking for the windows 8.1 pro build 9600. I tried this site and other sites as well but I am unable to find the product keys. Can you please help me in this issue. I am not able to buy the Windows 8.1 pro build 9600. If you are able to post the full list of product keys, would be of great help to me. I am looking for the Windows 8.1 pro build 9600.
