August 21, 2018 - You probably understand how to identify the problem and fix it. .com/stories/3019460-samsung-gt-e1175t-insert-sim-jumper-zip-milher. html?utm\_source=site&utm\_medium=social&utm\_campaign=tw&utm\_content=title By the end of the third month, after contacting Samsung support, they replied that the SIM card can only be inserted using a special tool, which costs money. As they said, this problem is only with this phone. But I thought, why, if the phone is new, the warranty has not ended yet, and decided to check on other phones: 1. Bought a Samsung Galaxy J2 Prime G532F 2. Put SIM card and Yota SIM card 3.
