Featured speakers: Andreas A. Renking, PhD, VP, Consulting Services, IDC; Thomas Prüst, RFP Consult, Germany; Wayne Moore, SAP, Program Lead, Business Objects; and Kacey Holden, SAP, Client Success Partner, APAC. The SAP certification program has been designed for people who have no or little experience and want to gain a practical working knowledge. The SAP User Training Benefits video course provides the most efficient way to learn the use of the SAP software and its benefits. The course is delivered through a series of easy to use video tutorials, available in time-saving guide format. In addition, the SAP Certification Video Trainings are based on 3 principles; 1. Reinforce learning and help you remember. 2. Practice the latest SAP Key Learnings. 3. Provide fun, interactive, team learning. Team Based Learning can be used in combination with individual learning, i.e. training in a classroom or on your computer by yourself. What is the SAP certification program? SAP Solutions Partnership Certification Program (SAP SPCP) SAP Certification Video Trainings SAP Learning Package (SAP Software Estimation) SAP BusinessObjects Essentials (SAP BOE) Books & E-books Why SAP Certification Training? SAP certification gives you the opportunity to obtain an acknowledged certification for your professional development. The SAP certification further enables you to stand out from the crowd and present your leadership skills to your team and colleagues. It can help boost your credibility on the job market. Prerequisites There is no prerequisite for SAP certification training. SAP certification is valid for up to 3 years and can be renewed once every 3 years. You must have a minimum of 10 or more years of industry experience. There is no restriction on the industry where the certification can be obtained from. Who Can Be
